

# MEDICAL AND DENTAL COUNCIL OF NIGERIA

## THE REGISTERED DOCTOR:

### A ROADMAP TO EXCELLENCE IN MEDICAL AND DENTAL PRACTICE IN NIGERIA

#### ENSURE YOUR PLACE IN THE MDCN MASTER REGISTER TODAY

The Medical and Dental Council of Nigeria (MDCN) is updating its Master Register.

- All registered medical and dental practitioners must promptly update their accounts on the MDCN website ([www.mdcn.gov.ng](http://www.mdcn.gov.ng)).

- If you do not have an account, please create one to receive your login details via email, after global verification processes.

- Updating your professional record is essential for compliance with MDCN regulations and shows your commitment to professional standards.

- All registered medical practitioners and dental surgeons should note that only the most recent detail on record will be included in the **Master Register** to be published in **January 2025**.

- Additional qualification (AQ) registration is required for your recognition on the specialist register.
- For questions and further assistance, Please email: [registrar@mdcn.gov.ng](mailto:registrar@mdcn.gov.ng)

**Ensure your professional recognition by completing this update before 14 November 2024.**

Signed,  
**Registrar, MDCN**
